

The Mediterranean & Black Sea Football Cup 2010

A football tournament for seafarers

The Mediterranean and Black Sea Seamen's Service organisations hereby invites all visiting cruise ships to take part in a football tournament in the period from

March 10th until November 10th.

Games may be played in any Mediterranean or Black Sea port. The ports of Yalta (Ukraine), Málaga and Barcelona (Spain) are especially engaged in this tournament. However, other ports may also organise games.

The ships four first games towards ship teams will be registered in this cup. Games can be between ship teams or against local teams.

However, we would need your help to make this tournament a success. It takes two teams to make a match, and in order for us to prepare and find an opponent, we ask you to advice us as soon as possible, when you want to play.

If the team have no uniforms, we most likely will be able to lend you the necessary shirts and shorts free of charge.

We usually organize football matches at one of Yalta stadiums:
"AVANGARD" (which is an official sports base of "DINAMO-KIEV")
or Yalta Sports School stadium .

It takes us about 15 minutes to take the teams from the port
to the stadiums by our centre's bus.

If there is only one ship wishing to play, we dispose one of local
teams.
